### CONTROL

what you see and how often

“I am so grateful ASIS has created CONNECTS as a vehicle for the exchange of thoughts, experience, and information among members. This alone is worth the price of membership, in my opinion. Networking is one of the most powerful and attractive attributes of ASIS membership.”

– Timothy Sutton, CPP  
Director of Security, Grassroots

“Thank you for setting this up, I'm excited to participate in this venue as I've been searching/waiting for a centralized location for security discussions with my industry peers.”

– Michael Ferguson, CPP  
Sr. Project Manager, Genentech

“This is a wonderful initiative. There's now no distance between ASIS members.”

– McLean Essiene, CPP, PCI, PSP  
MD/CEO, Essimacs International Security LTD

# Your trusted community for global security professionals

## ABOUT ASIS INTERNATIONAL

Founded in 1955, ASIS International is the world's largest membership organization for security management professionals. With hundreds of chapters across the globe, ASIS is recognized as the premier source for learning, networking, standards, and research. Through its board certifications, award-winning Security Management magazine, and the Global Security Exchange (GSX)—the most influential event in the profession—ASIS ensures its members and the security community have access to the intelligence and resources necessary to protect their people, property, and information assets.
